

» | COMPANY PROFILE

Shandong Xianglong Office Furniture Co., Ltd. was established in 1998, originally as Luoyang Shuaijin Office Furniture Co., Ltd., with its roots tracing back to a production base founded in 1994.

To meet the growing market demand, we established Jinan Xianglong Office Furniture Co., Ltd. in 2004, which was renamed Shandong Xianglong Office Furniture Co., Ltd. on November 2, 2023. With nearly thirty years of industry experience, we are dedicated to providing customers with excellent office furniture solutions

The company has fixed assets of 10 million USD, equipped with over 50 advanced machines, including hydraulic shears, presses, and bending machines. These efficient production facilities ensure product quality and production efficiency, allowing us to meet diverse market needs.

We offer eight major series and over 180 types of office furniture products, covering a wide range of needs from workstations and conference tables to office sofas. Our products are known for their user-friendly design and high-quality materials, earning them great popularity among customers.

The company has established over 20 offices nationwide and built a strong marketing team to provide timely and effective services to our clients. Additionally, we have a comprehensive after-sales service system to ensure customers have no worries during usage.

We are committed to becoming a leading brand in the Chinese office furniture industry, continuously innovating and optimizing to provide customers with better products and services. In the future, we will continue to expand our market presence, enhance brand influence, and help clients achieve greater work efficiency in their office environments.

Classic 4-door Office Storage Cabinet

APPLICATION

Neat arrangement of every filing system is possible in filing cabinets. The spacious drawers glide securely and quietly on sturdy full extension runners with single-drawer blocking systems. High or wide, filing cabinets are an elegant and economical solution for storing documents with pull-out suspension filing frames.

FEATURES

- ◆ High-quality cold-rolled steel plate construction, high stable performance and high load-bearing capacity.
- ◆ The surface adopts an integrated automatic spraying process, which is uniform, beautiful, scratch resistant, corrosion-resistant and mechanical damage resistant.
- ◆ The layout adopts the classic four door filing cabinet design, divided into two layers, with glass doors on the upper layer.
- ◆ Adjustable shelves, height-adjustable
- ◆ Optional locks
- ◆ Cabinets available in multiple colors
